

Burnsville High School Band Bio

Burnsville High School is located in Minnesota near the city of Minneapolis. The High School celebrated its 50th anniversary in the fall of 2006. The building is made up of grades 10-12 and currently has about 2400 students enrolled in classes.

The band program at BHS has been an important part of the schools history. It currently has 3 concert bands, 4 jazz ensembles, 3 pep bands, a marching band, a winter drumline, and perform as the pit orchestra for the fall and spring musicals. Students in the program give 4 concerts during the school year, play at athletic events, perform at contests, and every other year takes a band trip to Europe.

The band that will be playing for you today is made up of mostly 11th and 12th grade students. The band is made up of members from two of the different bands in our program. The band is directed by Keith French. Mr. French has both his bachelor and masters degrees from the University of Minnesota, located in Minneapolis.
